

The Gift that keeps on giving...

All proceeds from the Mount St. Mary Hospital Gift Shop go directly to the Music Therapy Program through the Mount St. Mary Foundation.

Did you know the Gift Shop is run entirely by volunteer including the manager?

Open 7 days a week from 11:00 am – 3:00 pm. You can get everything from throat lozenges to scarves.

Customers are heard saying, "These prices are better than regular store prices, why wouldn't I buy here and support the residents."

FEATURE of the Month for November is:

Pashmina Scarves, only \$12.00
